Stevenson Says GOP Broke Its Promises Of '52

Democrat Sees 'Swell
Of Dismay, Revolt'
Against Eisenhower

WICHITA, Kan. (AP)—Adlai Stevenson labeled the Republican campaign a 1952 model last night and charged the Eisenhower administration with "foolish boasts and broken promises."

"Vice President Nixon, the Republican chief of staff has pitched the Republican campaign on the high level of communism corruption, controls and Korea," he said adding, "But that's a 1952 model." Stevenson told an estimated 4,500 persons at a Kansas Democratic rally there is a revolt against "the family quarrels and hopeless divisions of the Republicans and against policies which consistently favor the few at the expense of many."

"A reborn progressive Democratic party is firmly established in rock-ribbed Republican Maine," the 1952 Democratic presidential nominee declared.

He said he found in Kansas "as in Maine . . . a ground swell of dismay and revolt against the foolish boasts and broken promises" of the Eisenhower administration.

"Even the normally huge Republican majorities in the congressional races have been whittled down to a size which should be quite manageable by us Democrats—come 1956," he said.

He charged that there is a "paralysis of American influence in foreign affairs, due to the contradictions and divisions within the Republican party."

Judge Denies Knowledge Of Tax Reduction

Columbiana County Treasurer

Vincent Judge today refused an announcement made Wednesday and attributed to County Auditor I. J. Vorndran that county officials had ordered a 20 per cent reduction in land valuations throughout the county.

Judge, who has been in Columbus attending a state meeting of county treasurers, said he was surprised upon his return home to learn of Vorndran's announcement of a tax reduction on lands.

Judge declared that he has received no instructions that the state would accept any land tax reduction and that county officials certainly are not aware of any such move.

The county treasurer pointed out that in the event of any lowering of valuations, other tax rates would have to be raised to bring money for all voted issues and relief would be small.

Judge pointed out today that all budgets of the various county cities, villages, and school districts should have been heard by Aug. 30, but that to date the budget commission has not been in session.

Salem High Student Paper Wins Citation

The National Scholastic Press Association has awarded an All-American rating to the Salem High School weekly student publication, The Quaker, for 1953-54, it was revealed today.

It is the highest rating a school paper can receive, the Quaker being one of only two papers so honored.

Arthur M. Sanderson, assistant director of the National Scholastic Press Association, said the Salem High School weekly was rated superior for overall news coverage, content, sports writing, sports coverage, editorial page, inside news pages, headlines, typography and printing.

Sandy Hansell was news editor of last year's Quaker. Barbara Cameron was feature editor and Lowell Fleischer, sports editor. Mrs. Lloyd Loop is editorial advisor and the late R. W. Hilgendorf was business manager.

Committees For Salem Sesqui Being Chosen

Clubs Will Assist
On Special Projects;
Chairmen Selected

In preparation for Salem's Sesquicentennial observance in 1956, additional groundwork is being laid for the celebration.

The special projects committee, headed by Matt Melitschka, met last night at the Chamber of Commerce office when chairmen of various sub-committees were chosen.

The entire observance is being handled by the Salem Historical Society, of which Attorney George H. Bowman is president.

Others on the special projects committee are Mrs. Russell Moore and Mrs. Hillis Linton of the Garden Study Club, Mrs. C. R. Votaw and Mrs. H. P. Harper of Garden Club, Mrs. Thomas Crothers of Amaranth Lodge and Morris Hollinger and George Equizi of Farmers National Bank.

Both garden clubs and the Country Gardens Club were selected last night to handle city beautification for the sesquicentennial.

The committee on historical markers is the Salem Book Club. A committee to arrange for a sesqui theme or slogan or title and seal is headed by Mrs. Thomas Crothers.

The committee for a queen contest and theme song includes the Salem Junior Chamber of Commerce.

A committee on souvenir publications will be headed by David Flick, public librarian.

A committee on industry exhibits will be headed by Jack Rance of E. W. Bliss.

Five more committees will include Salem Historical Museum or Exhibit, a Committee on General Store, Committee on Commercial Exhibits, Committee on Fun and Activities, and a Committee on Window Displays.

Any person interested in serving on these committees is urged to contact Attorney Bowman. Queries concerning the Sesqui also should be directed to him.

The next meeting of the committee chairmen will be held Nov. 18 at the Chamber of Commerce rooms.

The Sesqui executive committee will meet Oct. 14.

Public Invited To Niles Ohio Edison Plant Dedication

The 75th "birthday" of America's electric industry, Thursday, Oct. 21, has been set as the date for public dedication of Ohio Edison Company's new \$35,500,000 power plant at Niles.

The dedication, to which the public is invited, will be held at 7:30 p.m., followed by an open house at the modern 212,000-kilowatt power plant. The plant also will be open to the public Friday and Saturday, Oct. 22 and 23, from 2 until 10 p.m. and on Sunday from 2 until 6 p.m.

The ceremonies and attendant open house will pay special tribute to Light's Diamond Jubilee—the 75th anniversary of Thomas A. Edison's invention of the first practical electric light bulb, Oct. 21, 1879.

Visitors to the Niles plant will see the newest of the 18 power plants in the Ohio Edison system, which serves a large area of northeastern and central Ohio, and western Pennsylvania. The plant houses two giant power-producing turbo-generating units, each with a capacity of 106,000 kilowatts. Combined, they can supply enough electricity for all the needs of a city of 130,000 people.

Ground was broken for the plant on Jan. 15, 1951, and the first 106,000 kilowatt unit was put into operation on Jan. 1, 1954. The second unit, of identical size, went into operation on June 14, 1954.

Chamber members will elect officers at a meeting Monday noon in the Lape Hotel.

The annual banquet of the Chamber has been scheduled for Oct. 15 in the Masonic Temple.

French Vote Set On German Pact

Mendes-France Seen
Getting Rearming OK

PARIS (AP)—Premier Pierre Mendes-France faced a cross fire of questions today in the French National Assembly on the London agreement to rearm West Germany. But prospects were good for a favorable vote at the end of the debate.

Government supporters sought agreement on a resolution satisfying as many deputies as possible. It was considered virtually certain the final text would endorse the Premier's work in London and express the Assembly's confidence in his ability to negotiate the necessary formal treaties.

The vote may come late tonight. Wants Complete Okay

Mendes-France asked for a blanket endorsement of the principles of the London agreements which provide for inclusion of West Germany in the Brussels mutual defense alliance, admission of the Bonn government to the North Atlantic Treaty Organization and West German rearmament under the control of the Brussels group and NATO.

The Premier also demanded authority to negotiate the treaties carrying out these agreements at ministerial conferences to be held later this month. After the pacts are drawn up and signed the Assembly must vote on them.

The same general endorsement Mendes-France asked was given overwhelmingly yesterday to the London plan by West Germany's lower house of Parliament, the Bundestag.

Democratic Tide In Minnesota May Re-Elect Hubert Humphrey

(Editor's: This is another of several stories by roving Associated Press reporters analyzing the congressional campaign in key states.)

By DOUGLAS B. CORNELL

MINNEAPOLIS (AP) — A Democratic tide in Minnesota apparently is sweeping Hubert Humphrey toward another six years in the United States Senate.

If it keeps surging as strongly between now and Nov. 2 in a state that poses something of a popularity test of the entire Eisenhower program—Democrats figure they can hold all their House seats and capture one to three held by Republicans. The Democrats now have four, the GOP five.

They look for rougher going when it comes to capturing the state house.

State Democrats bubble with confidence over the Senate race. Republicans concede they have a tough, uphill fight to shove State Treasurer Val Bjornson (pronounced Bjornson) into Humphrey's seat.

In the arena are two powerful debaters, men widely known throughout the state, quick to make friends, but political opposites.

Humphrey, 43, a Senate first-timer, typifies the New Deal-Fair Deal" element of his party. In this campaign he is banging away hard at one main target—the Eisenhower record and program. There probably isn't any mind and are jumping from the Democrat the GOP would rather toss out of Congress.

Except on farm price supports

line for the Eisenhower administration and its program.

"When you vote for Val," he says, "you're voting for Ike."

The 48-year-old former news and radio man tells street-corner audiences to send Republicans to Washington to help Eisenhower finish the job—not "Democratic enemies who would hamstring, hogtie, handicap this administration at midterm."

"Send people to help Ike?" Humphrey snorts to the voters. "Send Democrats to help you."

The two agree the farm issue is the big one in Minnesota and that it is hurting the GOP. There are other issues, of course, foreign policy, peace and prosperity, taxes, communism. They are getting a going over from the candidates too. But more than anything else, the election outcome hangs on how the farmers feel.

Some rural areas, heavily Republican, no doubt will remain Republican. Yet there is a definite current of dissatisfaction among the folks in the field and on the plow—a dissatisfaction based on lower prices and incomes and sparked by Democratic charges that the Eisenhower administration has broken its promises to farmers.

Some who voted Democratic in 1952 say they are stronger Democrats this time. Some who voted Republican two years ago are hesitating, teetering. A few say they already have made up their minds and are jumping from the GOP to the Democrats.

Even in strongly Republican territory, the Farmers' Union, which Bjornson goes straight down the militantly opposes the Eisenhower

farm program, is picking up members.

For the first time since the Democrats united with the Farmer-Labor Party a decade ago, they outpolled the Republicans in the Sept. 14 primary. They chalked up a 61,000 vote margin of 351,000 to 290,000.

And that was in a state that gave Dwight D. Eisenhower a spectacular, unsought write-in ballot in the 1952 primary and then handed him 763,211 votes in the general election to 608,458 for Democrat Adlai E. Stevenson.

The Republicans are saying the Democratic primary majority probably represents peak Democratic strength, that many Republicans stayed at home because there were fewer GOP primary scraps, and that they can win in November by getting out this stay-at-home crowd.

To Democrats that sounds like whistling through the graveyard. They contend the 61,000-vote gap will be difficult for the GOP to close in November.

The signs point how to a Humphrey victory. Democrats say it could be a big one.

A heavy vote for Humphrey might mean enough accompanying votes for the rest of the ticket to capture some Republican-held House seats. Humphrey is fighting, furthermore, to pull Orville Freeman, the Democratic candidate for governor, along with him into the win column.

Even if they fail to unseat Humphrey, Republicans say they are confident of re-electing GOP Gov. C. Elmer Anderson.

Bjornson tells the voters in every speech that he would have voted for a year's continuation of high, rigid supports and for a less severe cut in dairy supports.

But he says there is too much emphasis on this business of parity for wheat and corn in a state where three-fourths of the farm income is from livestock and livestock products.

Humphrey never lets up on the farm issue. He passes around copies of headlines and stories from the 1952 campaign saying Eisenhower pledged the farmers 100 per cent of parity, or full parity.

"That's the pledge," he cries. "And it's just as good as new, because it's never been unwrapped, it's never been touched, it's never been used. The greatest single political betrayal in the nation's history has taken place in the last two years."

Judge Jacob A. Latona approved the applications.

WORKERS GET PAY RAISE

MIDDLETON, Ohio (AP)—City employees will receive a 5 per cent salary increase effective Oct. 16. Middleton commissioners passed the pay-hike ordinance last night. The increases will total about \$47,750 a year, said City Manager Howard H. Kramer. Firemen and policemen will get about \$16.00 more a month, making the top monthly salary for those positions about \$353.

Woman Promises Dinner To Come Before TV

LOS ANGELES (AP)—Dinner will always come before TV in the Howerton home, honest, Judge.

That was Mrs. Marie M. Howerton's promise to the court yesterday as she dismissed her husband's knife attack that just missed her heart as "a slight scratch."

Lawrence G. Howerton promised to keep his temper, even if supper should be a trifle late.

Howerton, 33-year-old mechanic, had been charged with stabbing his bride of several months when he came home and found her sitting in front of the TV set, with no dinner prepared.

It was a case of kiss and make-up. The court reduced the charge to simple assault and took Howerton's probation plea under consideration.

Elkton PTO Picks Officers, Is Told Of School Bond Issue

The first meeting of the parents and teachers organization (P.T.O.) was held Monday evening in the Elkton School building for election of officers and discussion of a proposed new high school.

Elected were: Mrs. Ralph Apple president; Robert Shearer, secretary, and Mrs. Ray Moore, treasurer. The office of vice president is vacant at present.

The speakers of the evening were Robert Beatty, an architect from East Liverpool, who discussed the Beaver Local High School bond issue which will come before the voters Nov. 2. The new school will cost approximately \$429,000 and if the bond issue is passed the building will be completed before the school term in 1956.

Located on the site of 77 acres in the country on route 7, three-quarters of a mile north of route 30, the new school will accommodate six-year classes including junior high and high school. The building will relieve the crowded conditions in the other schools of the area, including Lisbon, Fairfield, East Liverpool, Wellsville and New Waterford High Schools it is stressed.

The Beaver Local District at present has no high school of its own and therefore must send the children to these schools thus causing the overcrowded conditions. Necessary educational units, such as gym, bleachers, auditorium, cafeteria, class rooms and restroom facilities will be incorporated into the new building.

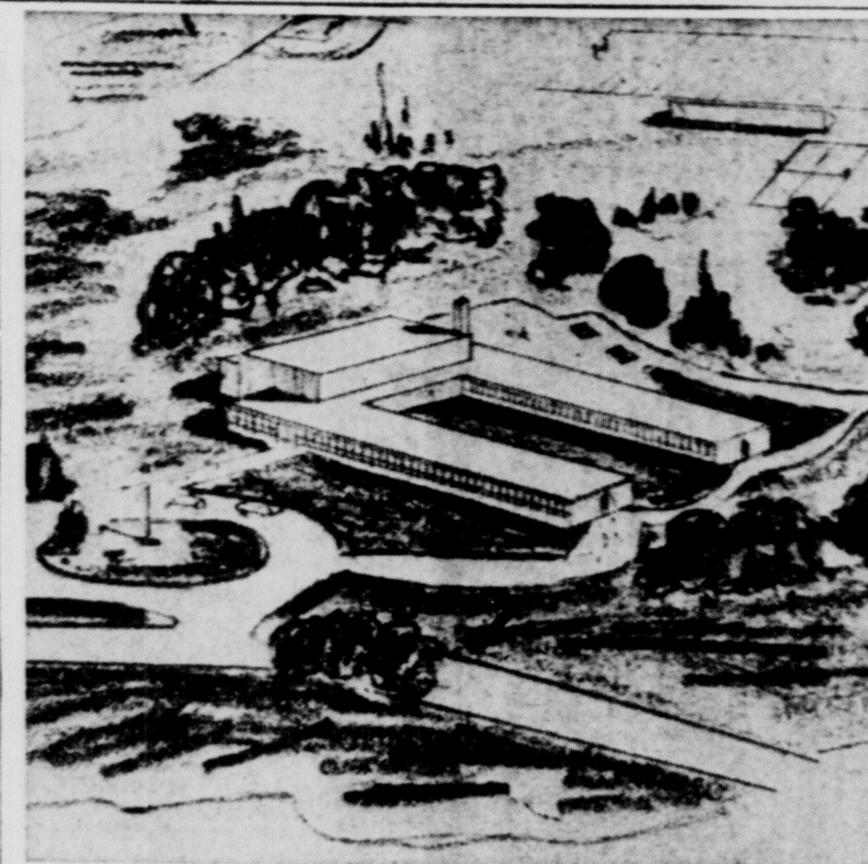

Plans also call for future expansion as the need arises. The architect describes the building as U-shaped unit with separate lockers and showers for the boys and girls.

Another speaker was Jack Pozenel, president of the Beaver Local School board, who spoke on school problems.

It was disclosed that a new text book in the social study field be adopted. Also P. T. O. decided to buy shrubbery to place around the elementary school building. The school fair is scheduled for sometime in November.

A committee appointed to investigate playground equipment as follows: Ralph Moore, William Greenwood and Glenn Ward. Re-

Convict Hides To Avoid Going To Prison Dentist

SALEM, Ore. (AP)—An 18-year-old life term convict surrendered to Oregon State Prison authorities last night, saying he had not planned to escape, but merely hid to keep from going to the dentist.

The youth, Elmer Harland Belcher, was missing at mealtime Wednesday night and it was believed he had walked away from his job at the dairy barn outside the walls. A statewide search was started.

But Belcher said he hid in a hay mow because he did not want to keep an afternoon dental appointment behind the walls.

He was convicted of the gunshot murder of a deaf girl.

Auto Plunges 1,000 Feet Off Cliff, Driver Lives

DENVER (AP)—An automobile plunged off a mountain road and tumbled 1,000 feet into a canyon—but the occupant escaped with deep cuts and a possible arm fracture.

Doctors at Lowry Air Force Base today described the survival of Airman I.C. Oscar L. Kimmel, Redfield, Ark., as miraculous.

Investigating officers said Kimmel apparently fell asleep while driving on U. S. 550 near Silverton, Colo., Wednesday night. His car plunged off the highway, fell 150 feet to the canyon wall, losing its motor, and then tumbled another 800 to 900 feet to the Las Animas River bed.

The officers said Kimmel regained consciousness beside the river and finally made his way along a railroad track. He was spotted 10 hours after the accident by another airman. Kimmel is in the base hospital.

ZANESVILLE, Ohio (AP)—A shepherd dog named Lucky last night led searchers to a missing 3-year-old boy.

Volunteer firemen spotted Lucky

circling a hollow tree stump and looked inside. Sitting there, in his blue jeans and tee shirt, was little Donnie Hutchison.

The youngster offered no comment on his 5½-hour adventure. But his parents, Mr. and Mrs. Charles Hutchison of Dresden said he often talked of going squirrel hunting.

"I guess today he actually wandered off to try his luck," they said.

Sheppard Attorneys Hire Pathologist

CLEVELAND (AP)—A staff surgeon at Polyclinic Hospital, known as an expert pathologist, has been hired by attorneys of Dr. Samuel H. Sheppard, Bay Village osteopath accused of bludgeoning his wife to death.

The surgeon, Dr. Anthony Kazlauskas resigned in 1950 as a deputy coroner, a post he held 13 years.

He told a reporter last night he probably would ask permission to visit the Sheppards' lakeshore home, scene of the slaying last July 4.

Dr. Sheppard's trial on a first degree murder charge is scheduled to start Oct. 13.

If Dr. Kazlauskas is called to testify for the defense, he will be on the other side of the fence from in 1953.

Tellers Who Work In Glass Banks

The formal opening of New York City's newest architectural wrinkle — a glass-walled bank — has drawn large and opinionated crowds this week. It is the Manufacturers Trust Co., at Fifth avenue and 43rd street.

The building has clear walls and a wide-open interior that gives it the most unbankslike appearance yet achieved by the designers who have been trying to abolish the tradition of massive solidity once thought to be compulsory in bank architecture. The footnote to the stir created by the new building is the fact the Manufacturers Trust Co. built it across the street from its old building, which satisfied all the traditional requirements.

Traditional requirements?

How did they get to be that way? Barns once were built three stories high for the storage of loose hay. Today's new barns can be built one-story high, because hay is baled and chopped. Factories once were multi-story and rectangular. Today's new factories are shelters that sprawl over acres of ground because automobiles have done away with the necessity of building factories in congested areas.

And banks... well, banks can have glass walls because, well, because a glass wall would be a lot tougher for a burglar than an opaque wall, that's why.

On A Theme By Molotov

Every diplomat with a pair of striped pants to his name knew what Soviet Foreign Minister Molotov would do if the Allies rearmed West Germany. He would demand unification of West Germany and East Germany.

The London Agreement has given Molotov his opening. He has called for a meeting of the United States, Great Britain, the Soviet Union and France to reunify Germany and bring an immediate end of Allied military occupation. The impact of his demand is as strong as if he had taken the world by surprise. That is because it is aimed at German nationalism. Molotov has said what German patriots want to hear — that someone is interested in getting them all back under one government and one leadership. Germans who know how the Communist conspiracy works must realize that Molotov is talking for effect and the Kremlin has no intention of letting German nationalism feel its oats. But they love to hear him say it. They loved to hear Hitler say it, when he promised to regain all the territory that ever had belonged to Germany and a good deal that hadn't belonged to it.

The Allies' problem under the London Agreement is how to let Germany be strong enough to help defend Europe without letting Germany be strong enough to try to conquer Europe. Sooner or later, another Hitler will try to rise to power on a theme by the foreign minister of the Soviet Union. Molotov has put the words in his mouth.

Traffic Accident

Many an American motorist will envy the courage if not the discretion of a wild elephant in India that objected to a bus invading its habitat and attacked and overturned the thing to show its contempt.

The beast had no patience with the encroachments of civilization and rebelled momentarily. Fortunately, none of the persons aboard the bus was injured, although the animal ripped into the upset vehicle with its tusks.

One shudders at the list of charges which could be brought against this mislaid creature of the jungle. It lacked a driver's license for operating on a highway. Its attack on the bus could be described as reckless driving and probably as felonious assault or attempted manslaughter to boot.

However, the elephant got off without any police interference at all when it had assumed its fury over 20th Century gadgets. It romped back into its beloved jungle, trumpeting as it went, and left the complications of modern living to befuddle mankind.

The Past Is Today

A curious blending of the ancient and modern is about to take place in London where the rains of a Roman temple are going to be preserved beneath a new 14-story office building on the same site, if engineers say it can be done.

Twenty-first Century bulldozers were about to wipe out the remains of the Roman structure when a public outcry against destruction of the historic relic brought a reconsideration of plans.

If the building is built with the temple ruins in the basement, it will be a lasting tribute to engineering capabilities and the respect for the past of present-day civilization.

Such a combination of new and 1,800-year-old buildings would be a lasting reminder of the nearness and influence the past — whether 18 days or 18 centuries. It would counteract some of the tendency to live from day to day.

Key To 1954 Election

By DAVID LAWRENCE

Candidates Must Arouse 'Stay-At-Home' Vote

The most important piece of the 1948 and 1952 presidential elections, and found that in 1952, while party allegiance was a strong factor in the Democratic vote, it was less important in the Republican vote. Issues such as Korea and corruption were mentioned more frequently than the personality of the candidate. The survey says:

"The much lower reference to traditional party allegiance on the part of the Eisenhower supporters in 1952 no doubt derived in part from the fact that a large proportion of Eisenhower's support came from the people who had previously been Democratic supporters or non-voters."

Thus, field representatives of the Bureau of Applied Research of Columbia University did a concentrated study on Erie County, Ohio, with particular reference to the hotly contested Wilkie-Roosevelt election in 1940. The findings read in part as follows:

"Non-voting is a serious problem in a democracy. It is therefore worthwhile to look at these non-voters somewhat more closely.

The great majority of them were deliberate non-voters; in October during the last interview before election, 29 per cent intended to vote and knew for whom they would vote, 7 per cent intended to vote but did not yet know for whom, and 64 per cent did not intend to vote.

"In other words, two out of three cases of non-voting were intentional and premeditated, according to the voters' own statements. But even in the other groups here were some non-voters who resembled the premeditated ones.

This is corroborated by the 1952 result when Mike Di Salle, the defeated candidate, polled 349,000 more votes than the Democratic nominee for the Senate in 1950 and about 111,000 more than Truman did in 1948.

Meanwhile, Sen. Bricker in 1952 picked up 223,000 more votes than Taft got in 1950 and about 433,000 more votes than Dewey got in 1948.

Another way of stating it is that there were 582,000 more votes cast for senator in 1952 than in 1950 and the Democratic candidate got 349,000 to these while Bricker got 233,000.

WHERE DID ALL those votes come from? New voters just coming of age wouldn't account for such a big percentage gain over 1948.

The only conclusion which seems logical is that large proportions of the "stay-at-homes" in both parties who hadn't been voting were aroused sufficiently in later elections to go to the polls.

That's the key to the 1954 congressional campaign. For nearly all of the "switchers," based on scientific surveys, have already made up their minds and cannot be converted. It's those who haven't been interested at all who can, if persuaded to vote, influence the result depending on the work done by the party organization or its precinct workers.

Slight Blood Pressure Variations Not Vital

I often wish that people would pay less attention to small variations in their blood pressures, particularly when the blood pressure goes up and down on a few points between doctor visits. Never the less, interest in the blood pressure seems here to stay.

The blood pressure is the pressure or outward thrust which the blood stream exerts on the walls of the arteries through which it passes. When the heart contracts and squeezes blood into the arteries, the blood pressure goes up; when the heart relaxes the pressure falls.

There is some variation in blood pressure between different people and a slow tendency for it to increase with age. If the blood pressure becomes permanently higher than "average," high blood pressure is said to be present.

With the exception of the occasional person who has some disease such as Addison's disease which produces low blood pressure in addition to other symptoms the person with low blood pressure is lucky. No one knows exactly why some should have a "normal" blood pressure or a lower than normal blood pressure, but it seems certain that the family inheritance has something to do with it.

Instead of being something to worry about, the person with low blood pressure, with the occasional exception mentioned, can congratulate himself or herself on having a desirable quality which is likely to prolong life.

All of the studies of longevity indicate a normal or a lower than normal blood pressure is a favorable sign. Such persons are less likely to develop heart trouble and similar conditions than those with high blood pressure. Occasionally those with low blood pressure report some lack of energy, but this is probably not abnormal and when

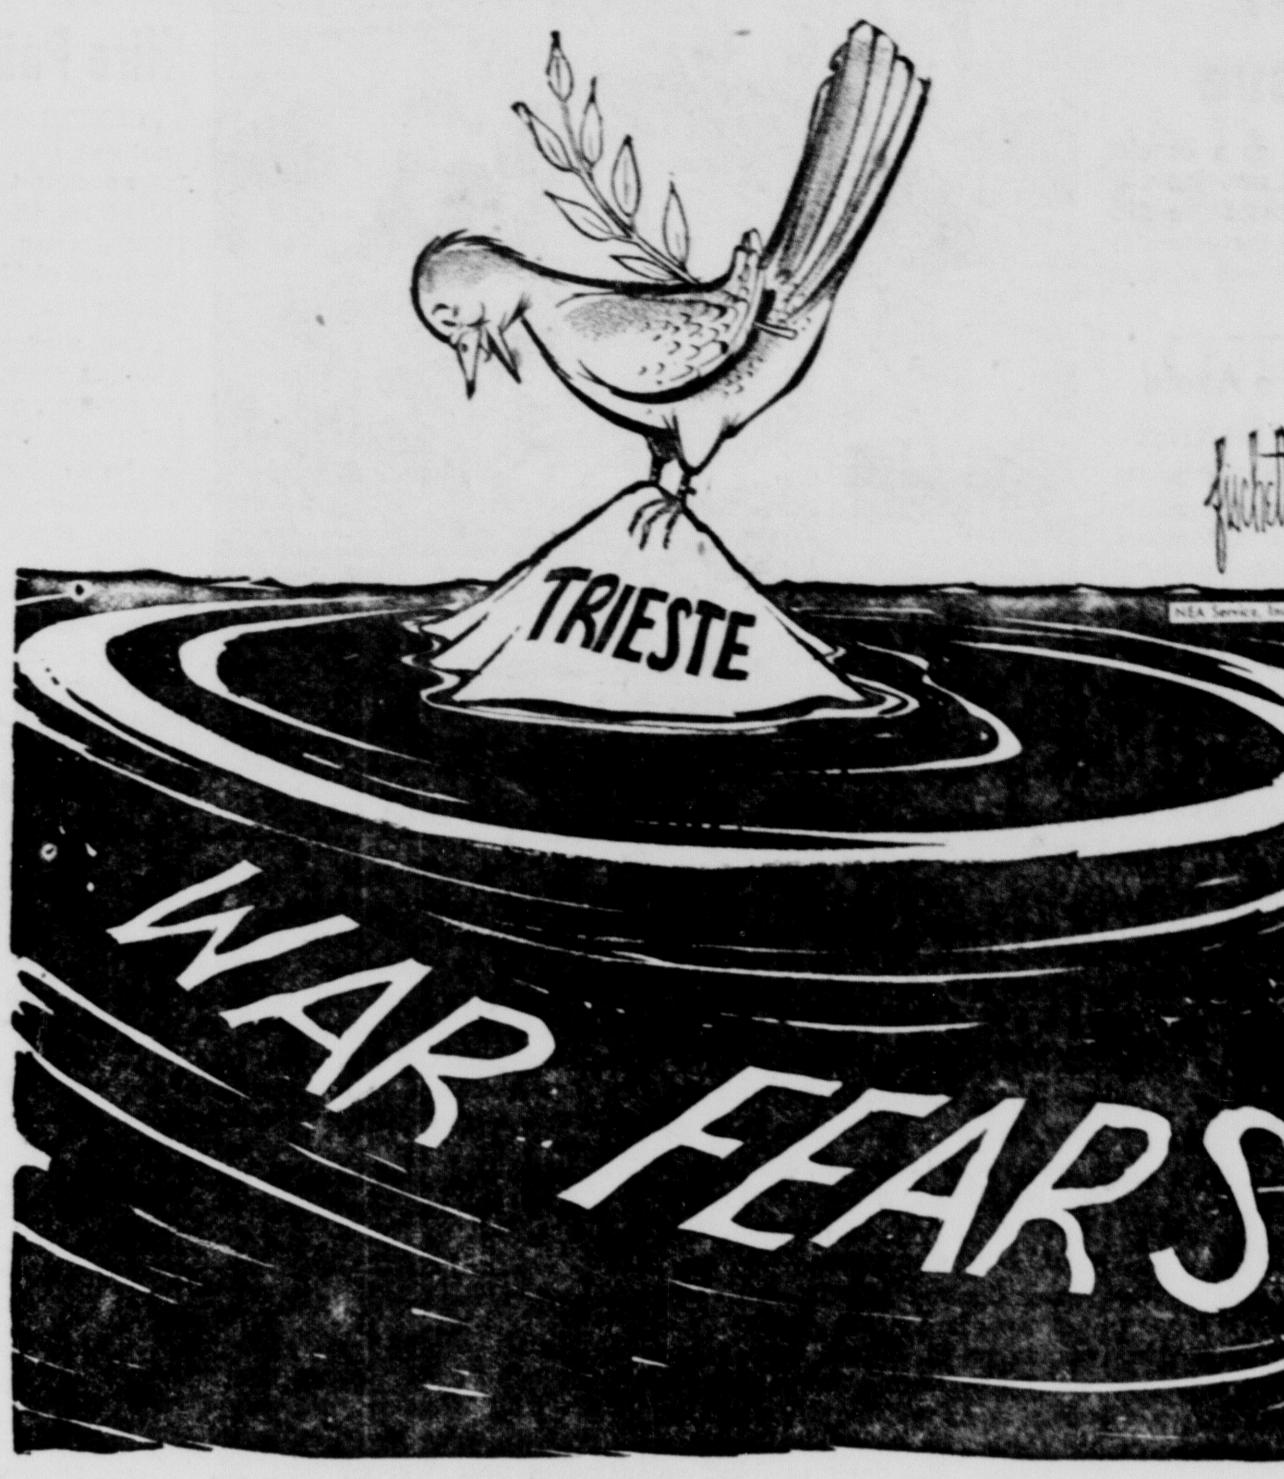

The News invites letters from readers on all important current subjects. The letters should be brief, not to exceed 200 words and must bear the signature and address of the writer to insure publication. Letters with anonymous signatures will not be published.

Security Leaks

By GEORGE SOKOLSKY

It would seem that a government could so organize itself that neither in the executive nor the legislative branch would there be leaks. Apparently all governments are having the same troubles.

The French are in the midst of a scandal arising from leaks to the Communists by officials on a high level.

No matter how the MacLean Burgess situation is covered up by the British, the fact stands that in spite of their long traditions and high quality civil service, leaks have occurred in the British Foreign Office and it was a British subject, Dr. Klaus Fuchs, who leaked the atom bomb to the Rosenberg Spy Ring.

Dr. Otto John who, as early as June 1952, was known to be a Soviet secret agent and also a correspondent of British Socialists, was in a central position to leak to Russia out of Bonn.

Jules Moch, the French Socialist, was reported as long as three years ago to be opposed to the American concept of the European community, to favor neutralism; yet he has been in position to be familiar with the details of Allied operations.

EVERY NEWSPAPERMAN, who deals with such matters does have the experience that much of his stock-in-trade is his ability to get confidential information from government officials. It used to be an unbreakable rule that information given in confidence was kept in confidence and was only used as background but was not published.

These days such information is leaked with the object of hurting an opponent. Sometimes this goes too far into the realm of what should not be told and sometimes includes documentation that should be withheld.

What does one do when into his possession, from an authoritative person, comes a document which

it does occur it is not too important.

Methodist's Women's Society Hears Speaker; Plans Events

The Methodist Women's Society had as their guest speaker, Mrs. T. Neil Jones of Akron, for their regular meeting Wednesday afternoon at the church.

Mrs. Jones, a world traveler, used as her theme, "Jesus Christ the Way, or 'The Universal Way.' Mrs. Jones, who recently returned

from a three-month visit to the Middle East, said the main problem in Oriental countries for countless people is "How to be fed and how to be free." She declared that poverty in these countries is almost unbelievable to us; and that it is small wonder the people turn to Communism, not realizing that the promises of food and freedom will not be kept.

The speaker explained the Colombe Plan of the British people and the Technical Assistance Plan of the United Nations.

Mrs. Willis Hole, chairman of the Martha Graf group, introduced Mrs. Jones and Mrs. Chester Cope who conducted the worship service against an altar setting of candlelight and an open Bible. Mrs. Don Harvey arranged the setting with an arrangement of garden flowers.

The theme was "Jesus' Concern for the Cities." Group singing was led by Mrs. Chris Perrott, with Mrs. Floyd Craig as accompanist.

Mrs. James Cunningham presided at the business session. Mrs. Louis Schilling reported contacting a number of new church members and Mrs. Cunningham urged that members of the various groups make a special effort to welcome the newcomers into the work of the society.

The Week of Prayer, Oct. 25-31, will be observed at the church, Wednesday Oct. 27. A program is being arranged.

Mrs. W. R. Pearce was appointed to represent the society to the Salem Historical Society.

The W.S.C.S. plans to cooperate in the World Community Day services, Friday, Nov. 5. "Parcels for Peace" may include children's clothing, remnants, bed linens blankets or cash donations.

The planned bazaar Nov. 4 and 5 is to be known as the "Home Town Festival" with an 1890 atmosphere. Committee chairmen appointed were: Mrs. E. M. Alexander, Mrs. Carl Lehwald, Mrs. Glenn Harding, Mrs. James Thomas, Mrs. L. W. Sanders and Mrs. David Keller.

The Alverna Koch Group Mrs. C. C. Hanson, chairman, extended hospitality to members and guests.

The Executive Committee, Mrs. Homer Taylor chairman, served refreshments. An arrangement of autumn flowers in red and white tones with tapers in double crystal holders formed the centerpiece of the lace covered table. Mrs. Bertha Hoopes and Mrs. Harry Loria poured.

Reduced Budget Is Adopted By Salem Girl Scout Board

A revised budget for the coming year was adopted when the Salem Girl Scout Board of Directors met Thursday morning in the scout office. Mrs. Stanley Starkie presided.

The new budget was reduced by \$1,015 as compared to the budget for the previous year. The greatest portion of the reduction was made in office and staff expenses and the camp fund. The per girl to the council is \$3.48 per year, it was reported.

Members of the board received

Democratic Women Are Told Of CD

Twenty-nine women were present at the coverdish supper sponsored by the Democratic Women's Association Wednesday in Ruth Smucker House. Tables in the dining room were decorated with floral arrangements made by Mrs. William Reardon, Mrs. Joseph Corso, and Mrs. Joseph Toth.

Comprising the dinner committee were Mrs. Harold G. Hannay, Mrs. Vincent Domenecetti, Mrs. Hazel Kornbau, Mrs. Mary Bryan, Mrs. William Barry, Mrs. Bud Boals, Mrs. Ford Joseph and Mrs. Martin Lutsch Jr.

Speaking on civil defense, William Wark, chairman, stressed that "civil defense was not and could not be a political issue but it is necessary to help ourselves and each other in time of need or in case of attack."

The women were reminded by Mr. Wark that much help was needed to keep civil defense going and suggested that anyone willing to help with typing to advise him.

Other guests for the evening were Mrs. John Kaiser of Leetonia, who was accompanied by Don Gosney and Mr. Quigley of Columbiana.

After a short business meeting presided over by Mrs. Martin Lutsch Jr., the prize of the evening went to Mr. Gosney, who is Democratic County chairman. Membership cards were issued for the year.

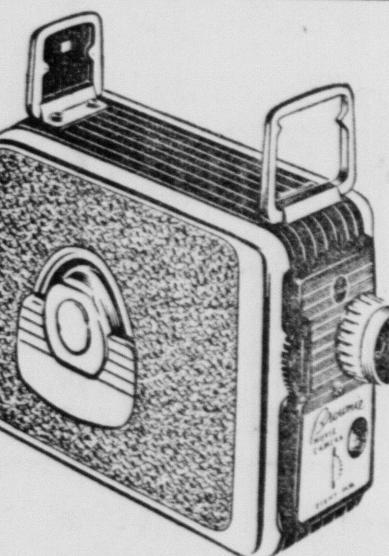

Named to the November refreshment committee were Mrs. Joe Corso, Mrs. Earlin Yeager and Mrs. Ford Joseph. The executive committee will meet with committee chairmen and trustees today in Ruth Smucker House to go over the by-laws and make any necessary changes.

Middle Sandy Group Elects Officers

Shirley Wallace was elected president of the Middle Sandy Presbyterian Church Youth Fellowship at the first fall meeting, a supper affair, Sunday.

Joseph Freshley will serve as vice president and Tom Wallace, secretary. Miss Wallace appointed Joanne Bush and Robert McGarrah to the service committee and Sarah McGarrah will be in charge of games. John Proudfit is the advisor.

Class officers were elected recently by the students of Goshen Union High School. Senior officers are: Bruce Weingart, president; Shirley McBride, secretary, and Roxanna Calhoun, treasurer.

Junior officers are Jim Earley, president; Lanny Brunner, vice president; Joyce Beck, secretary, and Jo Ann Carpenter, treasurer.

Sophomore officers are Joyce Denny, president; Albert Andrew, vice president; Joyce Griffith, secretary, and Kenny Wolford, treasurer; freshmen, Charles Bricker, president; Sandra Blackburn, secretary and Wayne Walters, treasurer.

Mrs. Amil Cosma of the opportunities committee is processing applications for the girls for the regional conference to be held in Dayton Nov. 8-10. Two girls will be chosen. Mrs. Greenwood was selected by the board to accompany the girls. She also will be a delegate to the conference. Miss Mary Catherine Donahue is to be alternate.

In her report Mrs. Charles Mosher described the urgent need for new leaders. At present membership in the Girl Scouts is restricted, but girls interested in joining are urged to file with the scout office in the Memorial Building so that they may be placed as soon as possible.

Mrs. Carl Smith reported several opportunities in the senior program for service.

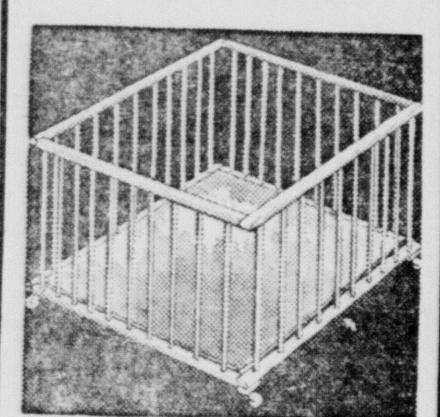

It was announced that the senior intertroop council will meet in the Christian Church Oct. 18 at 7:15 p.m.

Mrs. Smith stressed the importance of keeping the record sheets up to date to eliminate misunderstanding in determining the proper rating for the girls. Mrs. Cosma, training chairman reported she has given individual scout training during the past month and is available to lend assistance to others. The next council meeting will be Nov. 3.

Street Repairs, Health, Taxes Discussed At Leetonia Meeting

LEETONIA — Members of the Leetonia Exempted Village School District, in a special session, Monday evening, passed the following resolutions:

The County Commissioners be requested to make a study of McKeefrey St., which begins at West Street and extends westward to the Village Corporation limits then joins with the Lisbon - Canfield Road.

Commissioners were requested to follow this by grading and hard-surfacing said street, since this street is used as a bus route and mail route. This request is made due to the financial condition of the Village of Leetonia.

The second resolution requests Dr. George Pantera, county health commissioner, to supervise the school health program. No changes would be made in the program as it is now established. Mrs. Sybil Degan would still serve as school health nurse in the same capacity as now employed.

Members of the board spent considerable time discussing finances. The superintendent, along with the superintendents of Columbiana and Fairfield, met with the county auditor Monday when it was learned that he was cutting land tax in Columbiana County 20 per cent.

The superintendents were informed that this order was given by the State Tax Commission, since land in Columbiana County was

valued at approximately 80 per cent of value.

THE FOLLOWING figures were released, which pertain to the Leetonia Exempted Village School District:

The valuation of the district will drop \$498,070. This drop in valuation is made up of: Drop in land valuation, \$146,190; drop in utilities, \$123,830; drop in personal valuation, \$228,050; for a total of \$498,070.

Utilities, Pennsylvania Railroad-Personal tax, Crescent Division of Rockwell Co. Personal valuation of Crescent, 1953, \$582,090; 1954, \$218,560; Loss of \$363,430.

The school district will lose by this loss in valuation, approximately \$7,081 in taxes. Information was also given out that no new valuation had been added to the tax duplicate in the school district this past year.

THE CATHOLIC Youth Club met Wednesday evening at the Knights of Columbus hall when plans for a hay ride were discussed for Saturday evening, from 7 to 11. Chaperons will attend the hay ride and also the dance which will be held after. Refreshments will be served by the committee.

Fraternal Order of Eagles will hold a dance Saturday evening at the Eagle's hall for members and friends. The music will be furnished by Jack Bolash's orchestra.

Mrs. Wayne Holloway recently entertained 12 girls in honor of her daughter Dena's sixth birthday.

STUDENTS OF LEETONIA High School elected class officers for the current term. They are: Grade 12, president, David Gwynne; vice president, Nancy Morris; secretary, Beverly Reed; treasurer, William Gibson.

Grade 11, president, Roseella Altomare; vice president, Richard Cope; secretary, Barbara Senior; treasurer, Tom Price; grade 10, President, Robert Peet; vice president, Tom Hartley; secretary, Patricia Les; treasurer, Pat Smith; Grade 9, president, Anita Szecola; vice president, Joe Mange; secretary, Carol Hinchliffe; treasurer, Lawrence Stokes. Student Council, 7A, Dorothy Miller; 7B, Sandra Childs; 8A, Ralph Quinn; 8B, Janice Shinn; 9A, John Roose.

9B, Richard Altomare; 10A, John Fieldhouse; 10B, Jill Sanders; 11, Mary C. Duke, Barbara Groves, Clorinda Mancuso; 12, Richard McKenzie, Donald Smith and Patricia Butch.

The annual homecoming has set for Friday, Oct. 22. The football game between Poland High School and Leetonia High School at 7:45 p.m. will highlight activities.

MISS PATRICIA Butch has been selected by members of the football squad as homecoming Queen. Her attendants are as follows: Senior, Kay Blackwood; Junior, Sally Sullivan; Sopho-

more, Carol Gallo; freshman, Lola DeJane. Following the game, the annual homecoming dance will be held in the High School gym.

The orchestra has been secured by the committee of the local American Legion, Eagles and the O.S.I. which have been sponsoring teenage dances.

The annual magazine campaign participated in by students in grades 7, 8, and 9 began Friday.

Two former students of the Leetonia High School are now playing in college bands. Donald Bates, a 1954 graduate of the Leetonia High school is a member of the Ohio State Marching Band, and Jim Mayernick, a 1954 graduate is now the first trumpet player in the Wittenberg College Band.

Quakers To Meet Canton Timken Trojans Tomorrow Night

Locals To Seek 2nd Win Of Year

Barrett Will Use Same Starting Lineup

By LOWELL FLEISCHER

The Quakers will attempt to get back in the win column tomorrow night after two straight setbacks as they take on the Canton Timken Trojans at Canton's Fawcett Stadium.

The Trojans also will be after their second win of this year, with one win, a tie and a loss, to Canton McKinley behind them. The Bulldogs trounced Timken 40-7 last week.

The Trojans and Akron Ellet fought to a 0-0 deadlock in the first game of the season, and two weeks ago Timken beat the Central Catholic Crusaders 27-6.

The Barretters were much improved in last week's South contest, despite their 13-0 loss, over the previous week's game with Ravenna. The Quaker defense was working a lot smoother last week and the line was charging through.

With this week's contest scheduled for Saturday night the Quakers should have had an extra day of practice but rain the beginning of the week slowed up practices some.

COACH BARRETT has indicated that he will use the same starting lineup as last week, with Jim Fife, 140-pound senior, at quarterback. The Quaker coach doesn't plan to change his defensive line-up. Bob Domencetti will call the signals. John Todd and Dick Saltzman have been doing good jobs at the line backer spots and Domencetti, Dick Doyle and Chuck Harris have been coming through and making most of the tackles. Larry Hainan has also shown up well on defense for Salem.

Dale Middeker, Captain Jim Beard and Jack Alexander will make up the rest of the Quaker backfield.

The Timken line will be somewhat heavier than Salem's with a 230 pound center making most of the difference. The backfields will be about the same, with Canton again on the heavier side.

Coach Dan Risaliti says his grididers ought to take Salem without too much trouble, but Coach Barrett thinks just the opposite. "They're a good, tough ballclub but I think we can take them," Barrett

told the Salem Booster Club last night.

THE QUAKERS FACE a tough schedule all the way this year with Wintersville coming in next week, followed by Wellsville, Youngstown Rayen, East Liverpool and Lisbon. The Wintersville squad, undefeated in 37 games, won its 30th straight last week. Wintersville has downed Wellsville, Springfield Twp. and Bridgeport this season.

Wintersville, a small school near Steubenville, joined the Class A ranks during the 1950-51 school year. The school has an enrollment of 469 students. The Wintersville squad has been undefeated since 1949. Its 30 consecutive victories is believed to be a new record in the Ohio Valley and perhaps in the state.

Wintersville has 10 lettermen back from last season. The Warriors had a turnout of 55 boys at the start of the season.

Harold Johnson, Smith Box Tonight

PHILADELPHIA (AP) — Harold Johnson, bidding for his seventh shot at light heavyweight champion Archie Moore, and "Boardwalk Billy" Smith, seeking his fifth bout with the elderly champ, meet tonight for the first time in a 10-round fight at the arena.

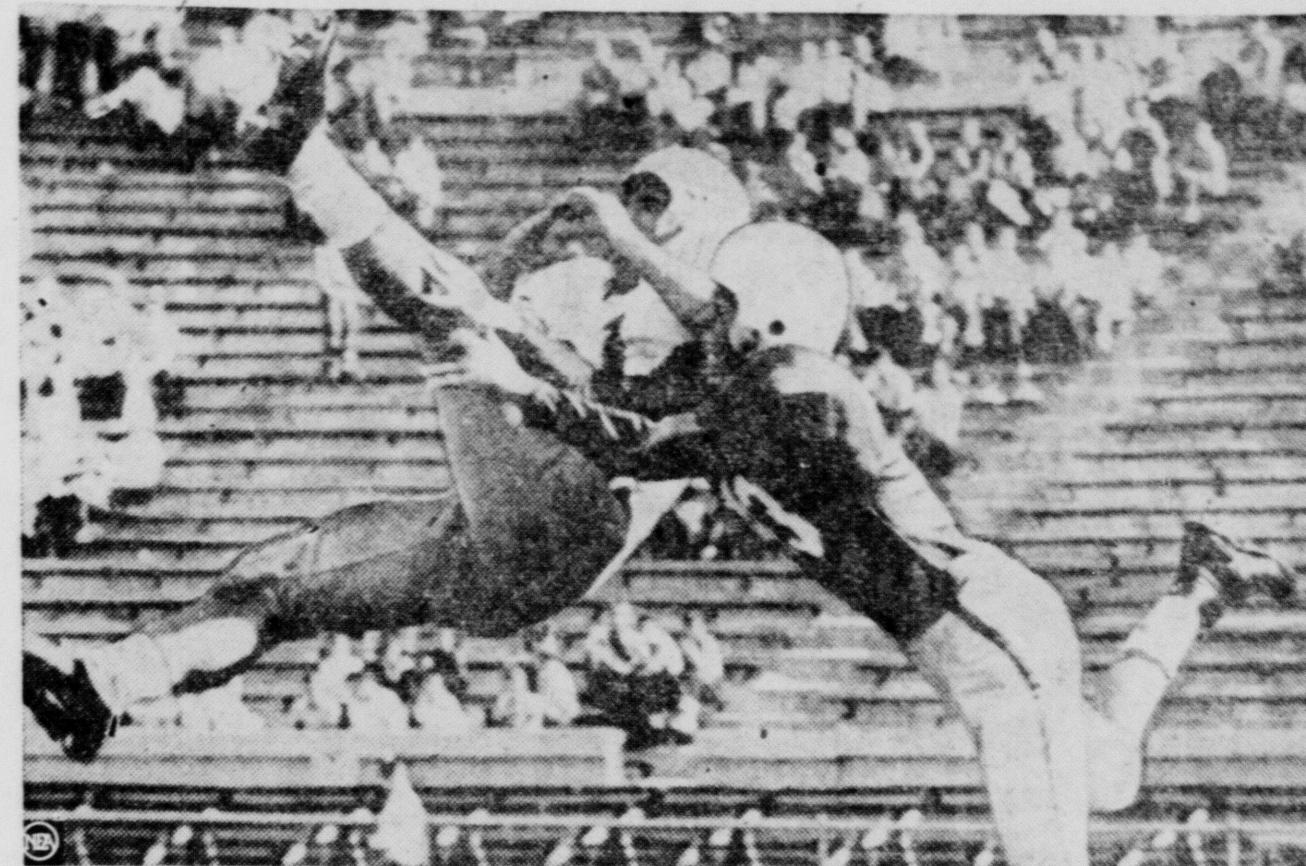

Johnson, rated No. 1 contender for Moore's title, is quoted as a 14-5 favorite here in his home town. Undefeated Leetonia High has surprised district football circles, defeating three opponents and grabbing a tie for the Tri-County League with the Lisbon Blue Devils.

That snapped a 12-out winning streak for Johnson, whose record is now 48 wins and 6 defeats. Five of the defeats were at Moore's hands and the other was a knockout loss to former heavyweight champion Jersey Joe Walcott.

Johnson will have the advantage of age—he's 26 and Smith is 33—speed and skill. Both boys have good punching power. Johnson has knocked out 22. And Smith has KO'd 30 in winning 56, losing 20, and fighting 4 draws. In four bouts with Moore, he lost three and drew one.

Smith is rated No. 4 in the light heavyweight division and is undefeated since coming East from Oakland, Calif., where he fought as Oakland Billy Smith.

Tonight's bout will be televised and broadcast by NBC at 10 p.m., EST.

MAMBO?—Georgia Tech's Paul Rotenberry, left, and Willie Hof seemed to be performing an exotic dance in Atlanta, but in reality the Tulane halfback was breaking up an attempted forward pass.

Leetonia To Meet Minerva Tonight; Columbiana, Lisbon Contests Set

By LOWELL FLEISCHER

Lisbon, Columbiana and Leetonia squads have contests scheduled tonight as district football goes into its fourth week.

Undefeated Leetonia High has surprised district football circles, defeating three opponents and grabbing a tie for the Tri-County League with the Lisbon Blue Devils.

Coach Bob McNea's charges have come through with two wins in a row after losing their first contest 13-0 to Akron Coventry. Both Minerva and Poland have lost to Lisbon.

East Palestine has defeated Warren St. Mary's and Sebring while losing to the Leetonia squad. Last year Lisbon beat East Palestine 33-0.

Lisbon will be without the services of first string guard Irv Guthrie, who has missed all week of

contest this year, to Lisbon.

THE BLUE DEVILS journey to East Palestine in another top Tri-County tilt tonight. Coach Bud Bucher says, "We're definitely the underdogs."

The Lisbonites have come through with two wins in a row after losing their first contest 13-0 to Akron Coventry. Both Minerva and Poland have lost to Lisbon.

East Palestine has defeated Warren St. Mary's and Sebring while losing to the Leetonia squad. Last year Lisbon beat East Palestine 33-0.

Lisbon will be without the services of first string guard Irv Guthrie, who has missed all week of

practice because of the polio quarantine in the New Garden school district.

The Blue Devils have several other squad members on the injured list, but they are expected to see limited action.

THE COLUMBIANA CLIPPERS will be after their third win with one tie as they play host to Springfield Twp. at the Firestone Park Stadium. The Clippers are the defending Inter-County League champions and are currently in third place in the league standings with a win and a tie.

Goshen Union and the Canfield Cardinals, each with two league wins, lead the loop at the present time. Canfield takes on Lowellville in a league battle Saturday afternoon in Lowellville. Goshen has an open date this weekend. McDonald also has an open date, Saturday afternoon two other loop squads tangle, Jackson Milton going to North Lima.

THE ALLIANCE AVIATORS will be after their fourth game of the season when they travel to Barberton for a contest with the Magics tonight. The Aviators downed Massillon 19-7 last week and were boosted to first in the state by sportswriters in the weekly AP poll.

Coach Mel Knowlton used Bill Offenbecker at the quarterback slot last week and his passes set up two touchdowns against the Tigers. Offenbecker didn't see action in Alliance's first two games and Knowlton's strategy paid off, giving the Aviators their third win.

Ward Zeller, city recreation director, terms the session "the most important meeting held for softball in many years."

A report on the 1954 season will be made, including a financial statement as well as batting averages and other highlights of the game.

Zeller requests the manager and one player from each squad to attend so that a representative group will be on hand for the voting.

The association has also invited a representative of each team sponsor to be present, making a total of three representatives from each team. Umpires and scorekeepers are also invited as well as any others interested in the league.

Zeller said the outcome of the meeting will have tremendous bearing on softball in Salem in the future.

Trophies will be presented to the winning and runner-up teams and the batting champion of each league.

USC Faces TCU Tonight, Sooners Play Texas On Saturday

Purdue To Oppose Duke, Navy Meets Stanford On Gridiron

By HUGH FULLERTON JR.
By The Associated Press

Southern California, which may be one of the nation's best college football teams, risks its unbeaten record against a youthful and unpredictable Texas Christian team tonight, but whatever the talented Trojans do is likely to be forgotten once the rush of Saturday's big games gets underway.

So far this season, Southern California has crushed Washington State and Pittsburgh and barely squeaked past Northwestern — a three-game record that hasn't impressed the experts enough to earn the Trojans a top rating. The TCU youngsters were fast and fiery enough to throw a scare into Oklahoma, now the No. 1 team in the weekly Associated Press poll, but they followed by dropping a close decision to Arkansas.

This game tops a slender Friday night card that also includes Miami (Fla.) vs. Holy Cross, Denver vs. Montana and Davidson vs. Presbyterian.

Then on Saturday come such games as Oklahoma vs. Texas at Dallas, Wisconsin vs. Rice (the televised Game of the Week) Pur-

due vs. Duke and Stanford vs. Navy.

Oklahoma moved to the front in the national ratings last week while refraining from competition in anticipation of the Texas game while other leaders were being engulfed in a wave of upsets. With Gene Calame, their star quarterback, still out of action and sophomore Jim Harris taking his place, the Sooners may be in for a bad time this week.

Oklahoma coach Bud Wilkinson admits he has a better than fair team and he thinks Harris can do the job. But Texas beaten by Notre Dame two weeks ago, looks on this game as an opportunity to re-instate the idea that it is by far the best team in the Southwest.

The Rice-Wisconsin meeting brings together two of the season's most talented and colorful backs on any major teams. It's Rice's Dicky Moegle, a speedy, elusive runner against Wisconsin's Alan (The Horse) Ameche, a mobile mountain who crushes opposing tacklers. Wisconsin is the No. 3 team in this week's AP poll behind Oklahoma and UCLA.

Purdue, which had its day of

glory in beating Notre Dame, runs into a well-balanced, experienced Duke team that has a wealth of good backs. They're fifth and sixth, respectively, in the weekly ratings.

Stanford, a lightly regarded team until it whipped Illinois before the TV spectators last week, can establish itself more strongly by beating a high-scoring Navy team in the day's top game on the Pacific Coast. Second-ranked UCLA has a comparatively soft one against Washington.

Pitt, Irish To Play 22nd Time Saturday

PITTSBURGH — Pitt and Notre Dame meet for the twenty-second time on the gridiron Saturday at Pitt Stadium with the kickoff scheduled for 1:30 p.m. The contest has been a sellout for several weeks, with some 62,000 fans expected to crowd into the Pitt Stadium.

The teams met for the first time in 1919. Pitt has won six of the games. Notre Dame has copped 14 and there has been one scoreless deadlock. The Panthers upset the Irish, 22-19 in 1952 and dropped a tough one at South Bend last fall, 23-14.

It will be the first visit to Pittsburgh for Terry Brennan, former Notre Dame great, in his new capacity as head coach of the Irish. Brennan succeeded Frank Leahy, who retired after the 1953 season.

The Irish have split even in two games thus far this year, trampling Texas by a 21-0 score and dropping a 27-14 decision to Purdue last Saturday.

Pitt will be striving to get its first mark in the win column, having suffered a 27-7 defeat at Southern California and 46-7 loss at the hands of Minnesota.

Pitt coach Red Dawson probably will make only one change in the lineup which started last week against the gophers. Cornelius Salvaterra, who came to Pitt as a quarterback and performed at that position as a member of the Panther freshman squad last fall, will be back at that spot after spending the early part of this season as understudy to Henry Ford at left halfback.

Averages Show Reds Had Poor Pitching

CINCINNATI (P)—The fans knew it and now the final unofficial 1954 averages prove it: The Cincinnati Reds didn't get much pitching.

In 154 games, the pitchers went the route only 34 times.

The best earned run average produced by the six main starters was 3.82 mark by Art Fowler, a rookie righthander, and Joe Nuxhall, veteran southpaw.

Fowler, rookie Corky Valentine and Nuxhall topped the club's victory mark with 12 a piece. But Fowler lost 10, Valentine 11. Nuxhall's 12-5 record was the best for the regulars.

Valentine's earned run average was 4.45, Fred Baczewski (6-6) had 5.25, Bud Podbielan (7-10) 5.35 and Harry Perkowski (2-8) 6.09.

Ace reliever Frank Smith's average was a respectable 2.66 but he pitched only 81 innings in 50 games.

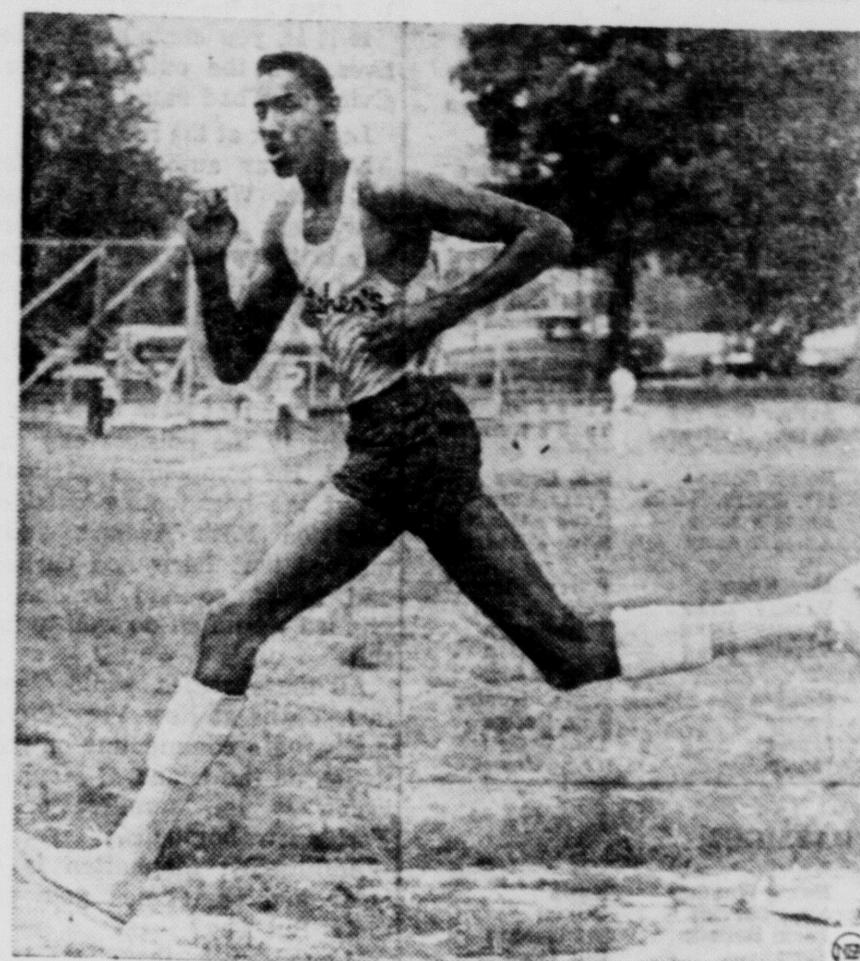

Eighteen pitchers saw some action with the fifth place club, laboring through 1,367 2-3 innings of play.

Small Field Likely In Rich Futurity

NEW YORK (P)—This is the day owners shell out \$1,000 to enter their horses in the rich Futurity at Belmont Park, and the glamour race for 2-year-olds may have the smallest field in 15 years.

It is likely only seven will contest the 6 1/2-furlong dash down the Widener straight course tomorrow. With seven starters the pot would hit \$112,715, the winner taking \$87,930.

The Belair Stud's Nashua, Mrs. Russell A. Firestone's Summer Tan and the Clearwater Stable's Royal Coinage will get the heavy play at the mutual windows. Hal Price Headley's Georgian, winner of Chi-

JUST A BOY—Wilt Chamberlain is only 17 and has another year of high school, but gets over so much ground—in basketball, track and field—that college coaches would like to have him now.

Tiny Fullback Off To Flying Offensive Start

NEW YORK (P)—Tiny Ralph Capitani of Iowa Teachers, a football fullback despite his 150 pounds, is off to a flying start in defense of his small college individual offense title.

Statistics released today by the NCA Service Bureau show Capitani who has played only two games is only 15 yards behind Alvin Seal of Trinity (Texas) who leads with 496 yards on 61 plays in three games. Jim Podolay of Central Michigan is two yards ahead of Capitani but he also has played three games.

Capitani has picked up most of his yardage by passing and he leads the nation in that department with 29 completions on 49 attempts for a total of 430 yards and two touchdowns.

Kent State and Marshall rank one-two in both total offense and rushing offense among the teams.

Kent State has averaged 501.5 rushing and passing yards in two games and rolled up 624 yards in winning Western Reserve 65-0 last weekend.

Marshall has averaged 466.5 yards in total offense and 432 yards by rushing.

Carleton College is the defensive standout having allowed an average of only 90.3 yards by its first three opponents. Iowa Teachers is the passing leader with an average of 243 yards per game and Capital of Ohio has the best punting average 46.8 yards.

EAST CENTRAL, SOUTHEAST—Leading Creek in Meigs County is providing good catches of smallmouth and bluegills. Smallmouth, bluegills, crappies and cats in fair numbers are being caught in the Walhonding River and Wills Creek in Coshocton County. All lakes, except Seneca, Hope and Alma, report poor fishing.

CENTRAL, SOUTHERN—Buckeye Lake reports good bass and bluegill catches. Good smallmouth fishing is reported in Licking and Scioto counties. Reports from Franklin County are poor.

SOUTHWEST—Fair to good prospects here. Streams of Butler, Clermont, Darke and Greene counties are yielding fair to good catches of smallmouth, rock bass, cats and carp. The same reports hold for bass and bluegills in Kiser, Grant, Stow, and Lorain lakes.

All told, the players' share of the receipts came to \$881,763.72, an all-time high. Included was \$83,000 for a pre-game World Series TV program.

Ohio College Teams In Midst Of Most Even Season In Years

By FRITZ HOWELL

COLUMBUS, Ohio (P)—Ohio's collegiate football teams are mixed up in the most even-Steven season in history.

The Buckeye clubs have played 54 games. The host teams have won 26, the visitors 26, and two have been tied.

The Ohioans have played 29 games with out-of-state teams. The Bucks have won 14, and lost 14 and tied 1. The only difference is that the Ohio teams have outscored the out-standers 441 to 433, or less than a third of a point per contest.

This week's schedule sends Ohio State to Illinois for the Bucks' first out-of-town game, after thrilling victories over Indiana and California. The Illini, 41-20 upset victors over Ohio last year, have been beaten by Penn State and Stanford.

The Buck treks heads the 12-game inter-state program which finds Ohio clubs going to Wisconsin, Pennsylvania, West Virginia, Michigan, and Illinois, and entertaining teams from Indiana, Kentucky, Michigan and Pennsylvania.

Kent State, 65-0 victor over Western Reserve a week ago, opens festivities tonight by meeting Baldwin Wallace's twice-beaten team at Berea. Saturday offers a 22-game slate.

Two of the tilts are in the Mid-American loop, with defending champion Ohio U. clashing with Western Reserve, and Bowling Green invading Western Michigan. The big one in the Ohio Conference is between Denison and Wooster, both unbeaten, while other league frays send Kenyon to Muskingum, Heidelberg to Wittenberg, Marietta to Capital and Oberlin to Akron.

Defiance goes to Wilmington for their Mid-Ohi League opener under the lights, and the non-loop array is impressive.

Among the big "just for fun" contests is Cincinnati at Marquette, with Ohio's only three-game winner trying to add to its 103-point scoring total which leads the Buckeye squads; Youngstown at Westchester (Pa.) State, Xavier at Westerville (Pa.) State, and Salt Lake Oct. 18 to referee a Rex Layne fight.

The oldest law school in the nation is the law division of the College of William and Mary at Williamsburg, Va.

Marciano To Be In Youngstown Oct. 12

ARROWHEAD SPRINGS, Calif. (P)—Heavyweight King Rocky Marciano hits the banquet and refereeing circuit next week.

Manager Al Well today outlined an itinerary that will put the champion in Youngstown, Ohio, Oct. 12 to referee a boxing show; in Dayton Oct. 13 to speak at a B'Nai B'Rith banquet; Omaha Oct. 17 for another banquet and visit to Boys Town; and Salt Lake Oct. 18 to referee a Rex Layne fight.

Questions, Answers

Q—Has the name "kodak" any special meaning?

A—No. It is a word coined arbitrarily by George Eastman.

Q—Under what President were the largest number of states admitted to the Union?

A—Benjamin Harrison. The six states were North Dakota, South Dakota, Montana and Washington in 1889, and Idaho and Wyoming in 1890.

New German Soldiers To Have More Rights, Officers Less

Editor's Note—This is the first of three stories previewing the new German army.

By GEORGE BOUTWOOD

BONN, Germany (AP)—What will the new German soldier be like? Many Europeans with memories of the regimented robots who jack-booted into their countries in the last war are asking that since the nine-power conference agreed to German rearmament.

West Germany's military planners have drawn up a blueprint for an entirely new type of German soldier. They say he will have civil rights, will be treated with the dignity of a democratic citizen—and a watchful Parliament will see that he is not bullied.

Former trade unionist Theodor Blank, West German defense commissioner, has drafted a new military code for the 500,000 men Bonn will provide for Western defense.

Some old-time German officers snort when the code is mentioned and say it will produce an army of softies. But Blank has the support of the rank and file of the veterans' organizations and most members of Parliament.

Blank's code confines military law to purely military offenses. Otherwise the soldier will be subject to civil law. It drastically reduces the powers of arbitrary arrest which junior officers of the old Wehrmacht once possessed. A soldier cannot be kept in the guardroom for more than 24 hours without a charge being preferred.

The new system, as yet only on paper, provides for an entirely novel character—a representative to air enlisted men's grievances.

Such a "Vertrauensmann" (trusted man) is to be elected by secret vote in every unit of company size. He must be heard by a military court before an accused soldier is sentenced.

Man Jailed On Mistake Back In Cell For Rape

WORCESTER, Mass. (AP)—William Martin, 21, spent six days in jail here last summer through mistaken identity.

He is back in jail today and police say there is no question about his identity this time.

He is charged with statutory rape involving a juvenile girl from Providence, R. I., unauthorized operation of a truck and carrying a concealed weapon.

He was jailed last August on a warrant charging his brother Robert, 25, with breaking and entering.

It took a Superior Court hearing to get his release after that error was discovered by a probation officer.

He must have immediate access to company officers to put before

Hunston Says Hays Betrayed Farmers

PATTERSONVILLE — Attorney Walter Jay Hunston, Republican candidate for Congress from the 18th District, speaking before a large gathering at the Stillfork Grange in Pattersonville, Carroll County, Thursday night said "My opponent betrayed not only the consumer but also the farmer when he voted for rigid price supports for farm products."

"I have requested that the Agricultural Department send a man into the 18th District to hold a series of meetings with farmers in all five counties in our district," he continued, "in order that the farmers may have an opportunity to express their views."

"It will take about three days to cover the district and give all farmers an opportunity to be heard," Mr. Hunston went on to say.

"I am not a farmer," he added, "but 14 per cent of the people of the 18th District are, and they are entitled to be heard."

"I have been given assurance that a prominent man from the U. S. Department of Agriculture will be sent into our district on October 21, 22, and 23."

Mr. Hunston concluded "The farmer is one of our strongest bulwarks against creeping socialism. Although he does not want to be discriminated against, he still objects to controls, quotas, and rigid price supports."

YOUNG WIDOW SENTENCED

CINCINNATI (AP)—A young widow whose parents said she was "leading life of sin" was sent to the Ohio Reformatory for Women yesterday by Judge John M. Renner in criminal court. Mrs. Minnie Alice Haggan, 23, of Asheville, N. C., was placed on probation for three years last May for receiving stolen goods. Recently her parents wrote probation officer Max W. Bellman "begging him" to have their daughter sentenced because of her behavior. Judge Renner complied with her parents' wishes.

Man Saved From Sinking Boat, Vows To Try Lake Trip again

CLEVELAND (AP)—Howard A. Tattrie, who spent three months and \$2,000 building a boat to sail back to Nova Scotia, got less than two miles before water filled the

craft. But he vowed Thursday he would try again.

The Coast Guard, alerted by friends of the 52-year-old novice seaman, towed the homemade craft back to shore yesterday only 45 minutes after Tattrie began his voyage.

Water was pouring in and it looked like Tattrie's first trip to sea might be his last—anywhere.

"I guess it had a few leaks," the former boxer, railroad porter and laborer said sadly. "Does anybody know where I can get it fixed?"

Tattrie, who came to Cleveland three years ago, wants to visit his mother, who runs a small grocery store in Londonderry, Nova Scotia.

He doesn't like railroads, is angry at busses and won't fly. So, despite the fact he had never been in a boat, he bought a do-it-yourself boat kit and went to work.

But from the first, apparently, the work didn't go well. Roger Lovejoy, manager of the Lakewood Boat & Motor Co., where Tattrie rented work space, said he:

Used an outboard motor instead of an inboard and filled the open propeller shaft hole with rags and painted over them. Used ordinary white putty that dissolves in water instead of caulking. Hammered in balky screws, splitting boards.

Fairfield Church Events Scheduled

Rev. George Bailey, pastor of the East Fairfield Methodist Church, will conduct the worship service Sunday at 10 a.m. in the church, preaching the first of a series of sermons on Christian Stewardship. Sunday's theme will be "Behind the Joy of Giving."

The next four Sundays will include "Laymen's Day, Oct. 17, when a group of laymen will present aspects of stewardship; Oct. 24, when the pastor's topic will be "Who Has Priority?"; Oct. 31 "Your Life Magnifies" and Nov. 7, "Tithing Is Your Decision."

During November an attempt will be made to contact one-third of the members in their home by visiting teams.

Miss Eileen Grim is organist and Mrs. Lois Schmidt, pianist. There will be special music.

Charles Crook, superintendent, will conduct church school at 11 a.m.

The Methodist Youth Fellowship will attend the M.Y.F. District Rally at East Liverpool Sunday at 3 p.m. No evening youth meeting will be held in the local church.

A new service for the congregation is being inaugurated starting this Sunday at 8 p.m. The pastor's topic will be "Created Anew."

Official board will meet Tuesday at 8 with choir practice Wednesday, and prayer and Bible study Thursday at the same hour.

Salem Firm First In Trade Mark Registration

New laws governing the registration of trade-marks and marks of ownership are now in effect in Ohio, under the administration of Secretary of State Ted W. Brown.

The first registration under the laws, which became effective Oct. 1, was made by a Salem firm, the Save-Way Sales & Mfg. Co. of the Newgarden Rd.

Secretary of State Brown has mailed notices and explanatory data regarding the new laws to attorneys and certified public accountants.
